

The Most Comfortable Brands to Wear on a Long-Haul Flight

by ANDREA CHENG

July 2, 2019

Prioritize comfort with technical fabrics and super-soft cashmeres.

Anatomie

Born out of a desire to outfit globetrotters on their travels, Anatomie brings a functional element to every piece of clothing. That means tanks, tees, and pants are made from innovative fabrics that are wrinkle-free, lightweight (its best-selling Skyler travel pant only weighs 0.6 pounds), stretchy, and breathable for peak comfort and maximum mobility.
